Art News

Preschool-I can learn about transportation by making vehicles with found objects.

Kindergarten-I can make prints like artist Jim Dine.

Third Grade-I can create radial symmetry by repeating prints.

Fourth Grade-I can create Pop-Art with an inventive use of text.

First Grade-I can explore repetition and pattern like artist Jasper Johns.

Second Grade-I can learn about symbolism and movement through artist Keith Haring.

Fifth grade-I can construct a unified balanced mask by cutting, taping, and slot joining.
