Dear Families,

The second round of Parent Teacher Conferences is around the corner and at P.S. 213 our team is excited to meet with you again! At the Conference, we will engage in collaborative conversations about your child's academic, social and emotional progress. You received a letter with a tear-off in order to make an appointment. Please, if you have not done so by now, send your response to the teacher. Below you will find more information and helpful hints for before and after.

Date: March 14, 2019 12:00-12:20pm and 4:30-7:30pm
Dismissal is at 11:20pm and After-School Programs are not in session

Before you attend the conference, spend a few minutes with your child and ask for his/her help in preparing for the conference. You can ask:

- What would you like me to talk about with your teacher?
- What do you think your teacher will say about you?
- Inquire about the things your child likes, dislikes concerns and successes.
- Let your child know that you will share and discuss what the teacher said.

After the conference, tell your child about your meeting. Stress the positive things the teacher said and talk about suggestions for improvement. Plan with your child how to carry out these suggestions. If you have any other questions or concerns you would like to discuss with the teacher, do not hesitate to reach out. We are here for you!
